St Augustine's is a special school catering for 160 amazing pupils, aged 8-18 years old, with mild general learning disabilities. Some students have an additional diagnosis of ASD, ADHD, ADD and hearing or visual impairment. Experience of working in this type of school is desirable. We have a Vocational skills programme which offers unique work experience opportunities in horticulture, culinary skills, office and retail and screen printing for our senior pupils. With the support of our pupils, families and wonderful staff we have recently developed a new sensory room, kitchen, sensory garden and school yard. We are a very active school and have our own sports hall. More details on the programmes we run and facilities we have check out our school website or social media. We also have a swimming pool on our campus. We have a very dedicated staff team consisting of 23 teachers and 31 SNA. Our school offers the Droichead process to NQT's.
